Suzanne and LT:

Corbin and I have incorporated Suzanne's Visioning piece that she presented on June 26th and you will see that language reflected in this latest draft of the FY19 ECEJ SP – the last attachment above. There are also a few other additional changes – all reflected in track changes. Please use this latest version – dated June 29.5 18trackchanges. The schedule that was shared this morning remains the same.

Thank you!

Subject: Updated Schedule: Call for Comments: ECEJ FY 2019 Strategic Plan: Please Respond by July 9th

Hello ECEJ LT:

I wanted to update you on the FY 2019 ECEJ Strategic Plan schedule and I know some of you received some of these details earlier this week.

While we did receive a two week extension, it is important that we receive your draft language by July 9th. A draft of the Plan will be provided to Doug Benevento so that, after incorporating Doug's feedback, the final draft Plan can be used as talking points for our July 25th meeting with OECA and Susan Bodine.

Here is an updated Schedule for completing the FY 2019 ECEJ SP:

- By July 9th – send David P. your draft narrative language – following the latest draft which is attached to this message;
- By July 16th, we will provide Doug with a draft final version for his review and feedback;

- July 23/24, make any adjustments in advance of the meeting with OECA;
- July 31st – Complete the Clean Up Programs appendix.
- Late July/Early August – we will make adjustments to the SP based on info learned during the OECA visit and any additional feedback from Suzanne and Doug;
- August 15th – Final ECEJ FY 2019 SP is sent to OECA.

Let me know if you have questions or if you will be on A/L during the next two weeks, please let me know who I can work with during your absence.

Thanks,

Subject: Call for Comments: ECEJ FY 2019 Strategic Plan: Please Respond by June 21st

Hello ECEJ LT:

We are in the process of drafting an ECEJ Regional Strategic Plan for FY 2019 – which will cover planned activities for the next fiscal year. As background, the Regional Strategic Plans attempt to provide a concise overview of regional strategy and rationale for deployment of enforcement and compliance assurance resources consistent with the agency strategic plan, national priorities (NEIs), regional priorities and resource constraints. The FY 2019 ECEJ Strategic Plan will be about 6-8 pages in length and will also include a few attachments (FTE charts, Regional Perf. Assessment, Cleanup Programs).

I am attaching a copy of our ECEJ SP from FY 2018 as background and Corbin and I have drafted an outline with narrative text as a start for the FY 2019 SP. We have specifically inserted comments in the SP where we need your input. Lastly, I have attached an outline for the Cleanup Programs – Regions high Priority cleanup enforcement work (RCRA Corrective Action and Superfund).

Please review the draft narrative in the FY2019 SP and edit/update or correct as appropriate. We hope to spend much of early and mid-July getting this ready for a final Region 8 DRA and RA review. This is due to OECA/HQs on August 1st.

And Aaron and Andrea – please also review the Cleanup Program Addendum attachment and draft a narrative that reflects Region 8s high priority cleanup enforcement work.

Let Corbin or me know if you have comments or questions on this draft, the Cleanup Program Addendum or the overall process. Please respond by June 21st!

Thank you!
